

## **Biodata**

### **Personal data**

**Name** **Dr. Preeti Madan**

**Designation** **Senior Medical Officer**

**Office Address** **Microbiology Department**  
**Dr.RML Hospital and PGIMER**

**Residential Address:** **214/4 Shivaji Nagar, Gurgaon,**  
**Haryana**

**Telephone: 0124-2336700**

**Email (office):** **preetimadan07@gmail.com**

**Date of Birth:** **04-02-1977**

**Date of Joining Service RML** **16th OCTOBER 2006**

**Field of Specialization:** **MICROBIOLOGY**

### **. Academic qualifications**

<b>Degree</b>	<b>Name of the Institute</b>	<b>Year</b>	<b>Specialisation</b>
1.MBBS	LHMC NEW DELHI	1996-2001	MBBS
2. M. D.	MAMC,NEW DELHI	2003-2006	<b>MICROBIOLOGY</b>
3.PGDHH M	IGNOU, NEW DELHI	2009	<b>PGDHHM</b>

## RESEARCH EXPERIENCE

### Annexure 1

1. **Thesis-** Study of Parasitic Infections in Immunocompromised Host
2. **Project-** Study of Patient Satisfaction in DR.RML Hospital and PGIMER

## WORKSHOP ORGANISED

1. Training on Biomedical Waste management under NHRM

(18-21 March 2013)

2. IAMM Delhi Chapter (19 AUGUST 2013)

### Annexure 2

## PUBLICATIONS

### International –

1. A 'pseudo outbreak' of the contamination of blood cultures with *Volvox globator*.  
Wadhwa V, Kumar S, Rai S, Kharbanda P, Kabra S, Sharma VK.  
Ann Trop Med Parasitol. 2005 Oct;99(7):719-20.
2. Outbreak of burn wound infections by *Salmonella enterica* serovar Menston and the role of disinfectant testing in finding the cause of spread.  
Wadhwa V, Kabra S, Khaki P, Gur R, Bhalla P, Rai S, Kharbanda P, Mishra B, Uppal B, Singh AV, Ahuja RB, Gautam VK.  
J Hosp Infect. 2007 Feb;65(2):180-1. Epub 2006 Dec 18.

### National-

1. A fatal pulmonary infection by *Nocardia brasiliensis*.  
Wadhwa V, Rai S, Kharbanda P, Kabra S, Gur R, Sharma VK.  
Indian J Med Microbiol. 2006 Jan;24(1):63-4.
2. Urogenital myiasis due to *Chrysomya bezziana*.  
Wadhwa V, Kharbanda P, Rai S, Uppal B.  
Indian J Med Microbiol. 2006 Jan;24(1):70-1.
3. How reliable are serological tests in diagnosis of cysticercosis?  
Wadhwa V, Kharbanda P, Rai S.  
Indian J Med Microbiol. 2006 Jan;24(1):78-9.

4. A case of poly-parasitism involving a trematode and four different nematodes in a migrant from Bihar.  
Rai S, Wadhwa V, Kharbanda P, Uppal B.  
Indian J Med Microbiol. 2007 Jan;25(1):62-3
5. Salmonella enteric serotype Typhi from a case of empyema  
Mahajan R,K.,Kharbanda P,Ahuja S,Omprakash B,Duggal N,Hans C  
J Commun. Dis. 43(1)2011:85-87
6. **Changing Antimicrobial Susceptibility of Salmonella isolates: A Retrospective Study of 3 year (2008-2010) from a Tertiary Care Hospital**  
P. Kharbanda, N. Duggal, R.K. Mahajan, P. Chaskar and C. Hans  
Volume 7 No. 2 Page No. 1455-1456 Jun 2013
7. **Salmonella Septic Arthritis in a 3 year Old Immunocompetent Child**  
Preeti Madan<sup>1</sup>, Vijay Jain<sup>2</sup>,R. K. Mahajan<sup>1</sup>, Shweta Sharma<sup>1</sup>, Nandini Duggal<sup>1</sup>, Charoo Hans<sup>1</sup> and R.K. Arya<sup>2</sup>  
Volume 7 No. 2 Page No. 1467-1470 Jun 2013

### **Annexure 3**

#### **List of posters presented**

1. 2004 xxviii annual conference of IAMM, Lucknow  
Poster entitled- Rare Case Report of Pulmonary Nocardiosis Caused by a Non-asteroids species.
2. 2008 TROPACON 2 AIIMS, New Delhi  
Poster entitled- Study of Parasitic Infections in Immunocompromised Patients
3. 2009 1<sup>st</sup> Annual conference of IAMM Delhi chapter  
Poster entitled- Septic arthritis caused by Salmonella Typhi in a 3year old immunocompetent child.
4. 2010 IAMM Delhi Chapter  
Poster entitled- VAP in tertiary care hospital: emerging Pathogens
5. 2011 National Symposium on Emerging Trends in Dengue and Other Haemorrhagic Fevers in India

Poster entitled- Changing Antimicrobial Susceptibility of Salmonella isolates: A Retrospective Study of 3 year from a tertiary care hospital

6. 2011 National Symposium on Emerging Trends in Dengue and Other Haemorrhagic Fevers in India

Poster entitled- Prevalence of ESBL Septicaemia amongst Neonates

**Oral paper presentation**

2011 3<sup>rd</sup> Annual Conference and workshop on research, IAPS. DR.RML Hospital and PGIMER

Air bacteriology of operation theatres: I year study from DR.RML Hospital and PGIMER

**International conference attended:**

1. 2008 International Conference on Opportunistic Pathogens in AIDS,AIIMS
2. 2012 International Symposium on Molecular Pathology, New Delhi

**National conference/seminars attended:**

1. Regular attendance in IAMM Delhi Chapter
2. xxviii annual conference of IAMM, Lucknow 2004
3. TROPACON 2 AIIMS, New Delhi 2008
4. Newer advancement in sterilization and disinfection ,Apollo, New Delhi 2008
5. 1<sup>st</sup> Annual conference of IAMM Delhi chapter 2009
6. 2nd Annual conference of IAMM Delhi chapter 2010
7. TB: Diagnostic Challenges ,IHC,Delhi 2010
8. Avian, Swine and Pandemic Influenza ,AIIMS 2010
9. Polio Eradication: Challenges and oppurtunities,IHC, Delhi 2010
10. Panel discussion on Surveillance and Prevention of SSI ,HISICON ,Artemis,gurgaon 2010
11. XI HISICON 2011, New Delhi
12. Fungaemia in ICU, DR.RML Hospital
13. CME on Best Practices in Hospital Logistics, Inventory and Stores Management, Aaiims 2011
14. CME on Autoimmune Disorders :The continuing Dilemma and workshop on immunoflourescence testing, New Delhi 2011
15. Filing of online consent application forms and E-waste awareness workshop-responsibility of bulk consumers. Delhi 2011

16. Annual Academic Event on :Organizing oncology services in a medical institute .Dr.RML Hospital and PGIMER 2012
- 17.Candidemia in ICU patients,MSD group,DR.RML Hospital 2012
- 18.Symposium on Molecular techniques at Medanta, Gurgaon 2012
- 19.Presentation series on Molecular Products(Abbot) New Delhi, May 2012-
- 20.Panel discussion on infection control practices in Dr.RML Hospital, PGIMER, April 2012

#### **21.Seminars taken**

1. Clinical meet 2009- Atypical presentation of salmonella isolates(2003-8)
2. Clinical meet 2010-Ludwigs angina caused by Salmonella Typhi: a Microbiological Dilemma.
3. 2010 lecture on BMW management and PEP for blood bank technical staff.
4. 2011 lecture on point prevalence study of HAI at RML hospital.
5. 2011 Discussion on Hand hygiene importance.
6. 2011 lecture on PEP for staff nurses.
7. 2011 lecture on PEP for laboratory technical staff.
8. Clinical meetJAN 2012-HAI Surveillance a prospective study in TICU.
9. MARCH 2012 HIV Sensitization program-lecture on BMW Management.
- 10.May 2012Lecture series(3) on UNIVERSAL PRECAUTIONS for pretrauma technicians
- 11.Active participation in teaching of students from NIHFW,MUNIRKA (BMW and HAI)

#### **Achievement**

- **ATLS course August 2012**
- **ATLS Instructor course December 2012**
- **ATLS Instructor candidate april 2014**
- **ATLS FACULTY june 2014**

#### **Laboratory/diagnostic**

- **Diagnostic laboratory Work as assigned**
- **Active participation in infection control activities**
- **Quality control of media prepared**
- **Maintenance of equipments in laboratory**

Clinical

- Attending to the critically ill patients in trauma center
- Supervising work of junior residents in Accident and Emergency Department

#### Teaching and Research:

- Active participation in departmental seminars, journal club and group discussions
- Active participation in teaching of postgraduate and nursing students.
- 19<sup>th</sup> April 2011 - Lecture on Post exposure prophylaxis PEP for laboratory technical staff.
- 5<sup>th</sup> may 2011 – active participation in Hand Hygiene day for all healthcare workers
- 6<sup>th</sup> August 2011 Oral paper presentation-3<sup>rd</sup> Annual Conference and workshop on research, IAPS. DR.RML Hospital and PGIMER

Air bacteriology of operation theatres: I year study from DR.RML Hospital and PGIMER

- 10<sup>th</sup> -11<sup>th</sup> December 2011 CME on Autoimmune Disorders :The continuing Dilemma and workshop on immunoflourescence testing, New Delhi
- 15<sup>th</sup> December 2011 Filing of online consent application forms and E-waste awareness workshop-responsibility of bulk consumers. Delhi

#### Administrative duties :

1. Emergency control room officer (ECRO) as per the roster.
2. Administrative work of Maintenance and Repair Department.(enclosure 1)
3. Sanitation and Security arrangement of New Ward building(enclosure 2)
4. Biomedical waste management Department(enclosure 3)
5. Tender opening committee
6. Environment control
